TCIQ

About Our Company

TCIQ is an ISO (9001:2015) certified company that does business in the areas of training, consulting, and service. We are one of the fastest- growing businesses in India right now.

TCIQ is a well-known Training, Consulting, and Services company that was founded in 2019. TCIQ wants to meet the ever-growing demand for international training and consulting, and to produce highly qualified professionals for all industries, especially for the safety, quality, and logistics industries. Our foothold shows that we are serious about the places where we work. TCIQ has become one of the most trusted training providers because of providing the highest quality standards in training

TCIQ has accredited with International organizations like – NEBOSH (UK),IOSH (UK), OTHM (UK), AOSH (UK), and Medic First Aid (USA)

MEDIC FIRST AID - BASIC & CPR

This class is very hands-on, with both the instructor and the students giving demonstrations.

There is a lot of detailed, step-by-step training given to students on how to use first aid in different situations.

This very flexible programme meets OSHA and other federal and state requirements for training employees how to respond and care for medical emergencies at work, and it is very easy to use.

Course Study Mode

Classroom
